

## 2016 考研英语写作大作文真题解析

新东方在线

2016 考研英语刚刚落下帷幕，新东方在线全国研究生入学考试研究中心英语教研室第一时间对考研英语真题做详细对比解析。其中，写作大作文所涉及话题，对新东方在线的学员来说毫不陌生。下面是关于写作真题的详细解析，供大家参考。

2016 年考研英语一写作大作文有两副图画，第一幅是爸爸坐在电视机前打游戏，但是对书桌前的儿子说：儿子，你要好好学习。第二幅图则是爸爸与儿子一起在书桌前学习。下面的提示语则是：与其只提要求，不如做个榜样。

这篇文章对于新东方在线的学员来说毫不陌生。因为在写作课程以及最后 3 小时课程中都出现了相应的作文题目。

比如：写作课程中的下面这幅漫画，就恰好描述了一位父亲在抱着自己的儿子在看着冗长的肥皂剧。无论从时间管理、家庭教育以及做好榜样这三个角度中任何一个入手都是可以的。比如在新东方在线的课程中，我们从 role model 以及 habit 上来进行阐述，完全可以套用在这次的作文中。

The pie chart above reflects what the college graduates plan to do after graduation. As can be seen from the diagram, 35.20% of graduates plan to take the test for civil servants, and 31.90% of them plan to take the test for graduate students, both accounting for approximately a third of total.

There are two major reasons to the boom in overseas traveling. On the one hand, the growing economy over the period made it possible for citizens to travel abroad. Citizens are better off and their growing consuming power permits them to go outside to broaden their horizons. On the other hand, the maturing tourist industry has made traveling abroad increasingly enjoyable. Travel agencies offer not only competitive prices but also satisfactory services, greatly stimulating the tourism market.<sup>42</sup>

Traveling abroad has a positive effect on both individuals and society. Not only can the people have a better understanding of the exotic culture in foreign countries, but the economy of tourist resorts also benefits. Moreover, the citizens are likely to become more open-minded, which is helpful for the progress of their own community.<sup>43</sup>
