Suppose you are a librarian in your university. Write a notice of about 100 words, providing the newly enrolled international students with relevant information about the library.

You should write nearly on the ANSWER SHEET.

历年考情：

2016	2015	2014	2013	2012	2011	2010	2009	2008	2007
通知	推荐	建议	邀请	建议	推荐	通知	建议	道歉	建议

想过去：

下面我们借助 2010 年真题来简单复习一些通知类小作文的格式和内容安排：

Direction：

You are supposed to write for the postgraduate association a notice to recruit volunteers for an international conference on globalization. The notice should include the basic qualification of applicant and the other information you think relative.

范文：

## Volunteers Needed

January 9, 2010

To improve students' ability and enrich extracurricular activities, the Postgraduate Association is recruiting volunteers for an international conference on globalization to be held on April 10, 2010 in Beijing. To begin with, applicants should have Chinese nationality, strong professional spirit, English listening comprehension and the ability to speak Chinese and English fluently. Finally, students with relevant professional experience are preferred. Those graduate students who are interested in taking part in it may sign up with the monitor of their classes before February 1, 2010. Everybody is welcome to join in it.

Postgraduate Association

由此可见，通知或告示类与书信类的区别在于日期和落款，以及段落排布。此外，该类题型的难点在于“include information you think relative” with relevant information about the library”，同学们需要自己构思合理的内容。

看今朝：

回忆过去，我们可以比较清晰本次考试题目格式，思路和写作内容：

与其只提要求，不如做个榜样

继 2014 年考察双图之后，16 年我们又迎来一次双图大作文，但是图片的数量绝对不是考试难度的增加，考试要求和能力要求并没有改变。所以考生们只要按照我们课上所讲的步骤逐段展开还是可以轻松应对的。

原创范文：

There are two cartoons totally: the first image shows a father who is watching TV and smoking while asking his son to study hard but obviously the child is unwilling to obey his father; in contrast, the father in the second picture is dealing with his work carefully and intensively, which positively influence his son to following his good model. Not hard to interpret: unconvincing wordy asking is no better than good model setting.

The purpose of the drawing is to show us that due attention has to be paid to the way of parenting. Firstly, majority of parents nowadays put too much pressure on their child without noticing that their bad

behaviors have influenced the younger generation negatively. What's worse, they even force their kids to do well in certain aspects like academic study, living habit or moral sense etc. In contrast, educating children to cultivate a good habit begins at home and is widely thought to be the responsibility of parents. Hence, undeniably, parents should set a good role modeling in their own behavior.

Obviously, parents are supposed to recognize that they are the first teacher and the best example for children. Besides, certain practical methods should be adopted to set a good example. Only in this can children grow up healthily both psychologically and physically.
