参考答案 E

Part C

Passage One:

As a person who write about food and drink for a living, I couldn't tell you the first thing about Bill Perry or whether the beers he sells are that great.

46. What can we learn about Bill Perry from the passage

B. He intends to get rid of the tipping practice.

47. What is the main reason why the author hate tipping ?

C) It forces the consumers to compensate the waiter.

48. Why do many people love tipping according to the author?

D. They can have some say in how much their servers earn.

49. What have some waiters come to realize according to a survey?

A. Service quality has little effect on tip size.

50. What does the author argue for in the passage.

D. Waiters should be paid by employers instead of customers.

Passage Two

In the past, falling oil prices have given a boost to the world economy, but recently forecasts for global growth have been tone down, even as oil prices sink lower and lower.

51. What does the author mainly discuss in the passage ?

C. The impact of cheap oil on global economic growth.

52. Why do some experts believe cheap oil will stimulate the global economy?

D. Consumers will spend their saving from cheap oil on other commodities.

53. What happens in many oil-exporting countries when oil prices go down?

C. They use their money reserves to back up consumption

54. How does Carl Weinberg view the current oil price plunge?

B. Its negative effects more than cancel out its positive efforts.

55. Why haven't falling oil price boosted the global economy as they did before?

C) oil importers account for a larger portion of the global economy
