#### Section II Reading Comprehension (50 points)

##### Part A (40 points)

21. A 22. B 23. C 24. D 25. B

26. B 27. D 28. D 29. C 30. A

31. C 32. D 33. A 34. D 35. A

36. B 37. D 38. C 39. D 40. B

##### Part B (10 points)

41. E 42. A 43. G 44. B 45. F

#### Section III Translation (15 points)

46. 我的梦想一直是在时装设计和出版界之间找寻一个工作。在我中学毕业的两年前，我参加了一个缝纫和设计课程，原以为我能再继续

参加一个时装设计的课程。然而，就在这个课程上，我意识到，将来在这个领域，我是无法和那些富于创新精神的精英们相媲美的。于是，我断定到这条路走不通。在申请上大学之前，我和所有人都讲，我想学新闻学，因为，写作曾经是，现在也是我最喜欢的活动之一。但是，说实话，我之所以这样说，是因为我以为从事时装设计不过是一个梦想，我也知道，除了我之外，没有人能想象出我会从事时装设计的工作。因此，我决定去寻找一些课程，与时尚相关，又包含写作。就在此时，我注意到了“时尚媒体与营销”这门课程。

#### Section IV Writing (25 points)

##### Part A (10 points)

Dear Professor Williams,

It is my honor to receive your invitation to give presentation about Chinese culture to international students. And I am writing to express my heartfelt gratitude and provide the specific information about my presentation, which is about the brief introduction of Confucianism, the dominant philosophy of oriental culture.

To begin with, the first part of my presentation is the brief introduction to Master Confucius and *the Analects of Confucius*. Relevant background about Spring and Autumn warring state period will also be introduced. In addition, the

second part is about etiquette, one of the cores of Confucianism, which stabilized ancient Chinese society. Moreover, I would like to upload the e-book of English version of *the Analects of Confucius* to the official website of our university, so that the audience will be fully prepared.

Thank you for your invitation, and I wish my presentation will be appreciated by the audience.

Yours sincerely,

Li Ming

**Part B** (15 points)

The statistics about museums and their visitors are precisely illustrated by the line chart. During the 3 years from 2013 to 2015, the figure of museums experienced a gradual rise, and soaring from 4.145 thousand to 4.692 thousand. Besides, following the same tendency, the number of museum visitors, as is shown, ascended gradually from 6.378 billion to 7.811 billion, increasing by about 1.43 billion.

The following factors, from my perspective, are responsible for the statistics. To begin with, aside from disseminating

knowledge in schools, department concerned adopts other ways to promote the comprehensive quality of Chinese citizens, for instance providing more access to museums is a simple yet effective way to broaden visitors' horizon. In addition, having been experiencing the unparalleled material prosperity, most of Chinese citizens intend to pursue knowledge by visiting museums, tourist attractions and other places. Moreover, museums, which are supported by public funding, provide visitors with knowledge and professional service. Individuals, therefore, are inclined to enjoy their leisure time by visiting museums.

To summarize, the data shown by the chart objectively reflect what's happening in our society. Museums undoubtedly exert indispensable effects on our society and Chinese citizens, and it is predictable that, in the next decade, both large cities and small towns will witness the popularization of museums.
