

2016 小升初心远中学面试模拟题独家解析

(2017 年 3 月 18 日星期六)

2016 年心远中学**英语**面试**模拟题**：

阅读题：

Xu Yuanchong was born in Nanchang. He is a famous translator(翻译家) and he is good at translating Chinese ancient poets (古诗题) into English and French. When he was young, he studied abroad, then he took foreign language studies at Tsinghua University. And after that, he became a professor in English and French. Since 1983 to now, he is a professor at Peking University.

His uncle was a great translator and gave Xu a strong interest in learning English. When he studied at the Nanchang No.2 High School, the best local school, his English had been outstanding. And in 1938, he went to the University. In 1939, he translated his first work, Lin Huiyin's poem "Do not throw away" into English.

He is a hard-working man. He often translates very late at night. Till now, he has translated many famous works. Although he is 96 years old, he is still going on translating.
