Due to the fact that I am graduating from our university, it is my great pleasure to inform all my fellow students that I am selling my well-functioning computer which was bought from Apple retail store 8 months ago.

Equipped with an 128G internal memory and seventh-generation Intel Core processors, the computer is of impressive capacity and incredibly light in weight owing to its meticulous design. You will be engaged in a wonderful experience with the vivid details from the display and the comfortable touch from the swift keyboard. Initially, the price was more than 7000 yuan the time I bought it. But now I am offering you a bargain price for 3000 yuan.

Enquiries from both email and phone are encouraged. Please don't hesitate to contact me at telephone number "12345678" or send an email to "12345678@school.cn" if you need any relevant information or experience its excellent performance.
