

难度：本次六级作文的难度与过去几次六级作文的难度相仿，具体表现为：

题型：在名人名言、开放式话题、漫画、应用文和图表作文等五类六级常见作文中，本次选择了目前最为流行的开放式话题作文的形式。

词汇：在题干要求中，没有出现特别偏冷的词汇。其中，最难以对付的单词是 vocational（职业的），这个单词容易与 vacation（假期）相互混淆。此外，humanities（人文学科）和 sciences（理科）这两个单词，对部分学生来说，也有一定难度。

内容：从作文的内容来看，分析在国内上大学或去国外留学的特点（第一篇）等等，这些内容均与大学生的学习和生活息息相关，所以，学生在六级作文的过程中，均能做到有话可说，有据可依。

据此，本次六级作文的难度一般，相信多半考生可以得到 8 - 9 分（满分为 15 分）的基本分。

然而，要拿到比较靓丽的分数，则必须在论述理由方面添加有效例证，以便增加观点的说服力，这是改变“学生作文中空话大话连篇”趋势的有效方式之一。首先，在说明本国学习优于出国留学的时候，可以我国的优势学科（汉语文学、中医、中国功夫）为出发点。同样的，在说明出国留学优于本国学习的时候，可以选择经济学、心理学、西方音乐等西方优势学科为基点。其次，在分析理由方面，具体、生动且击中要害的理由分析则必不可少。例如，在国内学习可以进一步磨砺我们的汉语能力，而在国外学习则可以开拓视野并锻炼独立能力。

总之，为了在六级作文中迅速取胜，考前有针对性的强化训练和模版练习必将事半功倍。

2017年6月六级作文真题原题 1 Directions: Suppose you are asked to give advice on whether to attend college at home or abroad, write an essay to state your opinion. You are required to write at least 150 words but no more than 200 words.

2017年6月六级作文真题范文 1-1：国内篇：

When it comes to whether students should attend college at home or abroad, opinions vary from individual to individual. As to me a university student majoring in Chinese

Language and Literature, I hold the view that it is of great significance to pursue my studies in our own country.

There are numerous reasons to support my view, and I would like to explore the most important ones here. For one thing, studying at home provides me with the opportunity to give insight into the basic characteristics of Chinese Literature because I can gain easy access to piles of masterpieces written by Chinese writers when I stay in our motherland. For another, studying in China also offers me a platform to write my own essays, novels, and academic papers in Chinese our own native language. Thus, I am confident that I can have a better command of Chinese language in the forth-coming years.

From the analysis above, I can safely arrive at the conclusion that I can benefit much from studying in our own country.

2017年6月六级作文真题范文 1-2 : 国外篇 :

When it comes to whether students should pursue undergraduate studies at home or abroad, opinions vary from individual to individual. As to me a university student majoring in Western Music, I hold the view that it is superb to study in a western country.

There are numerous reasons to support my view, and I would like to explore the most important ones here. For one thing, studying abroad provides me with the opportunity to widen my horizons because I can gain easy access to the masterpieces by the great western musicians like Mozart, Beethoven and Straus in a western country. For another, it enables me to become much more independent than ever. After all, I have to deal with problems like renting apartments, preparing for meals, and doing academic research all by my own when I

study alone in a western country.

From the analysis above, I can safely arrive at the conclusion that I can benefit much from studying in a western country.

2017年6月六级作文真题原题2 Directions: Suppose you are asked to give advice on whether to major in sciences or humanities in college, write an essay to state your opinion. You are required to write at least 150 words but no more than 200 words.

2017年6月六级作文真题范文2：

When it comes to whether students should major in sciences or humanities, opinions vary from individual to individual. As to me a university student majoring in Communications Engineering, I hold the view that it is superb to study sciences in pursuing my undergraduate studies.

There are numerous reasons to support my view, and I would like to explore the most important ones here. For one thing, studying sciences provides me with the opportunity to learn much about how the world functions. For instance, I can give insight to how trees grow, how electricity generates, and how biological genes affect our physical body. For another, it enables me to become more analytical, logical and rational in the process of solving a variety of scientific problems.

From the analysis above, I can safely arrive at the conclusion that I can benefit much from studying sciences in university.

2017年6月六级作文真题原题3 Directions: Suppose you are asked to give advice on whether

to attend a vocational school or a university, write an essay to state your opinion. You are required to write at least 150 words but no more than 200 words.

2017年6月六级作文真题范文3：

When it comes to whether students should attend a vocational school or a university, opinions vary from individual to individual. As to me a university student majoring in Communications Engineering, I hold the view that it is superb to study in a university in the process of my undergraduate studies.

There are numerous reasons to support my view, and I would like to explore the most important ones here. For one thing, apart from acquiring professional knowledge, studying in a comprehensive university provides me with the opportunity to do further academic research in an enterprising atmosphere. For another, it offers me a platform to obtain knowledge in a wide range of field. For instance, it is probable for me to study history, literature and economics in my spare time if I fall in love with them.

From the analysis above, I can safely arrive at the conclusion that I can benefit much from studying in a comprehensive university.
