Possible Version 1:

East, west, home 's best

There is an old saying, "East, west, home 's best." I live in a house in the countryside. There 's a big living room, three bedrooms, a kitchen and a washroom in it. There 're some trees and flowers around my house. The air is really clean. And I often hear birds singing.

There 're four people in my family. They 're my parents, my sister and I. We 're helpful and friendly. And we always get on well with each other.

I 'm happy I have a good family. I will do what I can to help do more housework and farmwork. I 'll study harder so that I can make more money in the future. With our effort, I 'm sure my home will be better and better.

Possible Version 2:

East, west, home 's best

There is an old saying, "East, west, home 's best." I live in an apartment. There is a sitting room, a dining room, two bedrooms, a washroom, a kitchen and a study in it. Thanks to my mother, my home is always clean and tidy. The flowers in the sitting room look lovely. My apartment is not big, because there are only three people in my family, my father, my mother and I. Sometimes my parents argue, but usually they get on very well. They love me and I love them, too.

Everyone needs a good home. I 'll do my best to make my home better. I 'll study harder to make my parents happier and I 'll do what I can to improve our living environment.
