One possible version:

Welcome to our School Cultural Festival. Today I'd like to tell you something about one of the Chinese traditional folk handicrafts: the cloth tiger, which has a long history.

The popular cloth tiger is in fact a cloth-made toy with strong local color. We can find a large

character Wang (the word means king) on the forehead of the tiger. Therefore, the tiger is known as “the king of the animals”. The clever country women have created cloth tigers of different shapes with the different materials by hand. Most of them are made of yellow cloth. They look very cute and lovely.

The cloth tiger is seen as a symbol of peace and good luck. And people believe that it can also protect people and prevent bad things.
