I believe no matter how times flies, I will always remember the touching moment when Mrs. Wang talked with me and gave a new beginning of my life.

Before Mrs. Wang became our Chinese teacher, I had been known as a "problem student". Both the teachers and parents decided to give me up. However, Mrs. Wang didn't abandon me. When I passed the exam for the first time, she had a long talk with me. First, she congratulated me and encouraged me to make progress little by little. Then she asked me if there was anything she could do for me. The moment we finished our talking, I felt a new life started.

It's the first time when someone really cared about me and found advantages on me. With her help, I gradually overcame my shortcomings and changed into a better one. And the talk will be in my heart forever.

Mr. Black lived with his family in a small town. In order to make more money, he found a job in the big city which was 9 kilometers far from where he lived. He bought a car two years ago to save some time on the way.

One Sunday, Mr. Black invited a friend of his to come for dinner in the evening. There was still half an hour before his friend arrived. So while his wife was cooking, Mr. Black decided to take his car out and wash it. He was so busy washing the car that he didn't even notice his friend's coming. The friend stopped and looked at the car for a minute. Then Mr. Black turned and said hello to him.

The friend said, "That's a beautiful car. Is it yours?" "Sometimes," Mr. Black answered. The friend was surprised. "What do you mean by sometimes?" he asked. Mr. Black answered slowly, "Well, when there's a party in town, my daughter Linda drives it. When there's a football game, it's my son Mike's turn. When I have washed it and it looks really nice and clean, my wife Susan uses it. And when it needs cleaning, it's mine."

After hearing what Mr. Black said, they both laughed and went into the house together.

There is something you should know when you're invited for dinner by an American family. When you go to a dinner party, it's always good and polite to bring a small present. Flowers are always nice and welcome or you may bring some drinks or chocolates. What's more, you'd better wrap them with simple but beautiful decorations. Time is very important in America. So you are expected to arrive at the exact time. However, being late within 5 minutes is also acceptable. It's impolite of you to be fifteen minutes late or more without telling the host. Try to be free at the dinner table. Here are some tips for you. If you don't know how to use the fork and knife, don't worry about it. You can watch what other people are doing and just follow them. When you still have no idea of what to do, ask the person next to you quietly. If you like the food, you should directly say what you think of it. Of course, don't forget to thank the hostess and host for the preparation. Hope you'll enjoy the meal and have a great time at the party!
