

## 2020年7月四级作文解析

Directions: For this part, you are allowed 30 minutes to write an essay on the use of translation apps. You can start your essay with the sentence "The use of translation apps is becoming increasingly popular." You should write at least 120 words but no more than 180 words.

### 一、 板块点评

今年的作文题目相对来说难度适中。今年考查的是短文写作，直接给出话题。话题也是现在大学生比较熟悉的热门话题，考生只需确定好全篇文章主题，灵活运用课堂上讲解的功能段落，写起作文来也应该是得心应手的。

### 二、 题目解析：

1. 审题：四级写作的第一步即读懂题目要求。读题目时我们需要在题干中去找“关键词”。本次作文中读完题目，建议同学们用笔勾画出来关键词，即“the use of translation apps”。仔细分析关键词，这篇文章的主题即“翻译软件的使用”。
2. 谋篇：读完题目之后，我们会发觉这次的题目难度适中，写作的结构跟平时在课堂上练习的议论文结构相似。
3. 框架：全文分为三个段落。第一段简要说明使用翻译软件很流行；第二段详细地说明使用翻译软件的原因并用数据举例；第三段进行总结建议和展望未来。
4. 填充：具体的范文如下，仅作参考。

### 写作范文：

In the present age, it is apparently quite ubiquitous for students to use translation apps in their daily lives. Specifically, it has fundamentally changed our lives, which is worthy of our attention.

The causes of this phenomenon are multiple. In the first place, a major reason is that an increasing number of individuals are inclined to travel all over the world. Therefore, it is common for them to use the translation apps to communicate with natives. Furthermore, another reason contributing to this phenomenon is that students on campus tend to search for some foreign information on the Internet in order to help them expand their horizons. Plenty of evidence has shown that 89% students need to look for some information around the globe by using translation apps when writing their thesis in university and college.

On the basis of the above details, regarding this issue, using translation apps is quite efficient and meaningful. More importantly, it will be well-advised to cultivate individuals' awareness of utilizing translation apps in a reasonable way. Only in this way can we obtain a hopeful and promising future.
