For this part, you are allowed 30 minutes to write an essay on the use of translation apps. You can start your essay with the sentence "The use of translation apps is becoming increasingly popular." You should write at least 120 words but no more than 180 words.

The Use of Translation Apps

The use of translation apps is becoming increasingly popular. And it is a common phenomenon that a growing number of individuals, in contemporary society, tend to use translation apps to learn foreign languages, to obtain information written in foreign languages, to communicate with foreigners and so forth. Undoubtedly, thanks to the invention of translation apps, it is easier and more convenient for people to learn about the outside world.

Obviously, it is the use of translation apps that brings unbelievable assistance to persons who have difficulties in learning foreign languages. There is no denying that learning foreign languages is a tough task for some individuals, but the use of these translation apps makes foreign languages easier to understand. However, due to the dependence on the translation apps, persons, especially students, always lose their interest in learning foreign languages, and such a phenomenon does not have the benefits for persons to enrich knowledge and broaden horizon.

Generally speaking, the use of translation apps would be an inevitable tendency in this information age. And to use these apps in a rational approach is the concerning issue. Above all, every piece of technology is to make individuals further improved than ever.

今年的四级写作仍然是同学们非常熟悉的话题写作，主题是关于翻译软件的使用。整体来说，本次写作话题难度不大，因为翻译软件是同学们当前比较熟悉的且使用较多的应用程序之一。

与之前的话题写作给出文章题目不同，本次试题在指令中给出了文章开头的第一句话，原则上来说不需要同学们自行撰写文章开头，这对于那些难以书写作文开头的同学来说无异于“雪中送炭”。

在整个试题的完成过程中，文章依旧是大家熟悉的三段式作文。第一段主要是引入文章话题，并表明自己的观点；第二段可以从翻译软件的利或弊入手进行延展，也可以提出对于翻译软件使用的一些建议；第三段要对整体文章进行概括总结。
