

2020.07.11 四级写作解析
青岛国内大学项目事业部 刘舒进

自 2016 年四六级大纲重新修订以来，四六级写作题材发生了较大变化，其中四级写作集中于说明文一类文体，一般进行 3 种论述或说明：

1. 论述/说明重要性
 - a) 2018 年 6 月论述阅读/写作/口头表达能力的重要性以及如何培养
 - b) 2016 年 12 月论述就业选择、深造选择时的重要因素，并给出建议
2. 论述/说明解决方案
 - a) 2017 年论述说明如何处理亲子/师生/医患关系
 - b) 2018 年 6 月论述阅读/写作/口头表达能力的重要性以及如何培养
3. 介绍一件事、物
 - a) 2020 年 7 月介绍翻译软件用途
 - b) 2019 年 12 月介绍一个适合外国人学习汉语的地方/城市/大学
 - c) 2019 年 6 月介绍一次参观活动
 - d) 2018 年 12 月介绍毕业后/在海外/在大城市生活的挑战
 - e) 2017 年 6 月介绍打算出售的二手书/自行车/电脑

其中，论述重要性、解决方案类的作文，模式性较强，可以套用的模板也较为明显。为避免广大考生应用模板等技巧，命题组自 2016 年 12 月以来的 8 次命题中，有 5 次要求考生就某一事（活动）、物（物品、地点），进行较为灵活的论述（2020 年 7 月的分卷主要为事物介绍题材），并且自 2018 年 12 月以来的 4 次命题中，连续使用此类题材。因此广大考生有必要针对此命题趋势，端正态度，踏实进行备考的写作练习。

卷 1

Directions: For this part, you are allowed 30 minutes to write an essay on the use of translation apps. You can start your essay with the sentence "*The use of translation apps is becoming increasingly popular.*" You should write at least 120 words but no more than 180 words.

参考例文：

The use of translation apps is becoming increasingly popular, among students, office workers, as well as travelers during international trips. Along with their growing popularity, many people have been highly dependent on the translation apps.

Translation apps are mainly used in 3 areas – for academic, professional and entertaining purposes. For academic purpose, with reduced obstacles in the language, students and scholars may have access to knowledge of the whole world freely. For example, students can read journals and literature in their mother language with the help of translation apps. In the world of business, people may focus more on the business while save time and efforts in language study. Among international travelers, translation apps are particularly powerful and useful, since they can be more accurate in everyday situations and could be very helpful for the people of older generation – who have lesser language skills compared with the younger generation.

Although translation apps have been increasing powerful in function, the accuracy of English translation still lacks depth in some professional and cultural setting, and thus, for students, it is

still necessary to learn and practice the use of an international language. (189words)
