十、书面表达(共15分)

# One possible version:

The world is a book, and those who do not travel read only one page. That's why my family and I usually pack up and travel much.

Last year, we had a chance to visit Vietnam. When we first arrived there, we were immediately attracted by the beauty of the nature. We enjoyed swimming in the sea and we even stayed in tree houses in the jungle. It was really fun. However, what impressed me the most was

the Vietnam War Remnants Museum. At the museum, one special exhibit gave me a shock. That's Agent Orange, a chemical weapon used by the US military during the Vietnam War. But actually, it brought great harm to the country and people there. I also knew more about what Vietnamese had experienced in the past few years. Tears crowded in my eyes, and I realized that the war wasn't the right solution to resolve conflicts.

So in my opinion, travel not only broadens my horizon, but also changes the way I feel and think.
