

厦门新东方六级写作整体解析

教师刘梦笛+厦门新东方+对接人郭权

题目: the best preparation for tomorrow is doing your best today

总评: 本次六级作文难度与去年持平, 考查的依然是议论文, 话题依然围绕着“重要性”。

题目翻译是“为明天做的最好准备就是今天尽全力做好一切”, 也就是说“the importance of doing your best today”。文章结构可以按照引出话题、原因分析、观点总结三段进行。作文难点在于中间段在分析重要性时如何进行论点阐释, 同学们可以举一些成功人物的案例, 突出今日脚踏实地的努力对未来成就的重要性, 或者运用一些关于“成功”、“努力”之类的名言警句, 比如机会总是留给有准备的人“Opportunities always come to those who are prepared”。

范文:

In the modern society full of fierce competition, an overnight success has become a common pursuit of the majority. However, when you study those successful cases, you will find the truth that the glory of tomorrow is based on the perspiration of today.

We can't predict what will happen tomorrow, but we can seize the moment to prepare ourselves. As a proverb goes in the movie *Kungfu Panda*, yesterday is history, tomorrow is a mystery, but today is a gift. The protagonist Po dreamed to be a hero saving the world, but he had no knowledge of Kungfu. Under the tough training by Master Shifu every day, Po seized every second to improve himself no matter what hardship faced him. Eventually, his endeavor paid off and he defeated Taiyang with a critical strike. Undoubtedly, it was his persistence and perspiration that led him to achieve what he aspires to.

As a college student, I consider it crucial to do our best everyday to make progress. Only when we live up to the “present”, can we achieve a more meaningful and blissful life.
