## 2020年7月六级写作答案解析

武汉新东方 韩勤勤

作文真题:

Directions: For this part, you are allowed 30 minutes to write an essay on the saying "the best preparation for future is doing your best today." You should write at least 150 words but no more than 200 words.

范文:

As the famous saying goes, the best preparation for future is doing your best today. Simple as the sentence seems to be, it conveys a profound connotation that doing our utmost is of maximal significance in contemporary society.

Numerous contributing factors could account for my viewpoint, while the following two stick out. On the one hand, keeping a down-to-earth attitude and maintaining a high-level criterion towards ourselves in our daily routine life is one of the most fundamental rules worth adhering to, on the basis of which, we would reap what we once expected. On the other hand, with the advancement of modern science and technology, no one could be sure to predict what would happen. Thus, by controlling ourselves day by day, we can keep abreast with time and tide with assurance.

Given the analysis above, i cannot overemphasize the importance of

---

doing our best today. To begin with, it is imperative for college students to cultivate awareness on cherishing time every day. What's more, it is high time that teachers attached importance to students' physical and psychological conditions. Only in this way can a bright and promising future beckoning on us be expected!
