《西游记》( Journey to the West)也许是中国文学四大经典小说中最具影响力的一部,当然也是在国外最广为人知的一部小说。这部小说描绘了著名僧侣玄奘在三个随从的陪同下穿越中国西部地区前往印度取经( Buddhist scripture)的艰难历程。虽然故事的主题基于佛教,但这部小说采用了大量中国民间故事和神话的素材,创造了各种栩栩如生的人物和动物形象。其中最著名的是孙悟空,他与各种各样妖魔作斗争的故事几乎为每个中国孩子所熟知。

Depicted in the novel is the hard journey that Hsuan-tsang, an eminent monk, and his three followers make across west China to India to fetch Buddhist scripture. Although the theme is based on Buddhism, the book employs many materials of Chinese folk tales and myths to create various vivid images of characters and animals, among which is the most famous Monkey King, whose stories of fighting genies are extremely popular among Chinese kids.

2020年9月大学英语六级作文真题及范文(第一套)

Directions: For this part, you are allowed 30 minutes to write an essay on the saying Beauty of the soul is the essential beauty. You should write at least 150 words but no more than 200 words.

## 范文：

In this rapidly developing society, what we pursue has never been more abundant than ever before. We care about the food safety, the money we can earn, the health of the people around us and the appearance of us, namely beauty. Talking about beauty, ideas may differ from person to person. Among all the elements of beauty that modern people attach importance to, I reckon that beauty of the soul is the essential beauty.

Looking around, we may find many facts which can reflect the value in the saying. Take Lihong as an example, she is not the traditionally typical youngster who would be considered beautiful. However, she keeps doing good routinely and insists in helping those in need. When mentioned, Lihong is always the exemplary model praised by everybody. To many acquaintances of hers, they think she is one of the most beautiful girls they've ever met. In the case of Lihong, beauty of the soul is more essentially valued than that of her appearance.

To conclude, it is not the fashionable hairstyle, not the expensive clothes we wear, but beauty of our soul that determines how people see us. This reminds us again of the value that beauty of the soul is the essential beauty.

## 2020 年 9 大学英语六级作文真题及范文(第二套)

Directions: For this part, you are allowed 30 minutes to write an essay on the saying What is worth doing is worth doing well. You should write at Least 150 words but no more than 200 words.

In different stages of life, we may have diverse pursuit. Some determine to pass an arduous exam whereas others may tend to find a satisfying job. Looking around, we may find many deeds to which we can apply the value relected in the saying. Take myself as an example, I made my mind to attend the postgraduate entrance exams at the beginning of last year, which for me I thought was worth doing. Once the decision had been made, I never doubted the possibility of not being able to pass the exams. I made a comprehensive plan for the whole year study and stuck to it strictly. In the end, I managed to pass the exams and became a qualified graduate student.

To conclude, what is worth doing is definitely what is meaningful to us and even can have a Long-term influence on our

life and growth. Only when we accomplish what is worth doing well can we be more likely to succeed.
