## 【试 题】

**Directions:** For this part, you are allowed 30 minutes to write an essay on the saying *Beauty of the soul is the essential beauty*. You should write at least 150 words but no more than 200 words.

## 【解 析】

关于名言的议论文在四、六级考试中并非首创。比如2011及2015年四级考试中都曾考察过类似内容。然就本次考试而言，比较考验学生的实际写作能力和功底。没有一定的储备和积累，很容易出现词穷的情况，写好并不容易。

第一部分，着重介绍话题背景，引出关于Beauty的话题。第二部分，可以采用事实或举例论证来具体阐述心灵美，把抽象的话题具体化，避免无话可说。第三部分，简要总结归纳自己对美的理解和定义。

## 【例 文】

The love of beauty is an essential part of all human nature. What is beauty? The answer, however, may vary from person to person. From my perspective, beauty of the soul is the essential beauty, which outshines physical beauty of a human.

The reason is simple. Beauty of the soul of a person shines like a jewel, enabling him to win others' trust and respect. Or in some cases, it may even act as a role model, encouraging people to contribute more to the whole society. A case in point is Lei Feng, a selfless man who devoted his whole life to serving the people with heart and soul. In the past half century, his spirit has inspired Chinese people from generation to generation. And even today, it still motivates many people to strive forward.

Despite the fact that there are a thousand Hamlets in a thousand people's eyes, it is

universally acknowledged that the beauty of the soul is the most important part of human nature.

Admittedly, years may wrinkle the skin, but the inner beauty is permanent, which is especially valuable under the background of quickening pace of contemporary life. The beauty on a man vanishes gradually when you find that his soul is filthy. On the contrary, it grows with each passing day if the man has a noble soul even though he is not so good-looking.
