【题目解析】

本篇为谚语作文，主题是：值得做的事情，就要做到最好。谚语中通常包含着丰富的生活哲理，这是六级写作经常会考到的类型。难度在于这些哲学道理比较抽象，会让考生拿到题目的时候有点迷茫不知道如何下手，这种情况下可以将抽象的哲学道理具体化，思考一下身边的具体事例或社会事件，这样不仅可以使得思路更清晰，还可以将例子写进作文中让文章更加生动。

"What is worth doing is worth doing well." is a proverb full of logic and wisdom, which tells us that once we decide to go into something, we are supposed to take it seriously with the aspiration to do it well.

The saying calls on us to affirm our determination to do something. People are bound to have certain pursuit in their life journey. Some may decide to start a business of their own, while others devote themselves to science. However, only he who spares no effort and takes it as far as he can will eventually gains the deserved accomplishment. Dr Yuan Longping is a good case in point. Deciding to tackle with

the food shortage of China, he devoted himself to the experiments of crop breeding and finally developed new hybrid rice plants. By making the worthy task fully accomplished, Yuan Longping fulfilled his life value and makes contribution to the society.

In short, what is worth doing must be the thing beneficial to our promotion or the society. Therefore, once we decide what is worth doing, we should accomplish it well with determination to keep our ground as well as persistence to get around obstacles.
