

六级写作第二套解析

新东方郑州学校 朱琳

本次考察的六级写作和往常考察的一样，要求大家写议论文，考察内容是“心灵的财富才是真正的财富”，这是我们平时可以接触到、耳熟能详的谚语话题，所以总体上来说难度中等。接下来，我们来看一下六级写作真题：

Directions: For this part, you are allowed 30 minutes to write an essay on the saying Wealth of the mind is the only true wealth. You should write at least 150 words but no more than 200 words.

【解析】

根据题目信息可知，这是一篇议论文写作，话题是心灵的财富才是真正的财富。我们就可以按照英语文章的行文结构“总-分-总”这种三段论的形式来展开写文章。

第一段：开篇点题，引出话题，指出当今人们对于财富追求有不同看法，其中心灵的财富才是真正的财富。

第二段：通过个人及社会两方面来论证心灵财富的重要性。

重要性一：对于个体而言，心灵的财富对自我价值的实现具有重要意义。

重要性二：心灵财富有助于社会的良性发展，若只追求物质财富人们就会变得贪婪和自私。

第三段：总结全文，再次强调总结心灵财富的重要性。

【范文】

When it comes to what is wealth, opinions vary from person to person. Some people think wealth literally means a large fortune while other people tend to pursue health, considering it as the most important wealth. In my opinion, wealth of the mind is the only true wealth.

It is evident that wealth of the mind has a profound impact on our life. For one thing, for individuals, it is of great significance in the realization of self-value. Take Bill Gates as example. He is one of the most well-known billionaires around the world. However, he is willing to donate his property to charity. For him, material wealth is only a means of helping people in need and achieving self-worth. For another, mental wealth contributes to the benign development of the society. If every social member only care about material wealth, people will get self-oriented, ending up living in a world full of hatred and greed. Only when we possess the wealth of the mind can we become more considerate to the people around us.

In short, the wealth of the mind is the only true wealth, which plays a unique role in helping to achieve self-value and facilitating the harmony of our society.
