大学事业部 成都学校 周芝娜

【题目 C】

Directions: For this part, you are allowed 30 minutes to write an essay on the saying Wealth of the mind is the only true wealth. You should write at least 150 words but no more than 200 words.

【参考范文】

In this fast-paced society, everyone is trying to make themselves wealthy, constantly pursuing money to satisfy their material desires. Pursuing luxury houses, cars and many things which cost abundant money seems to make them wealthy. But to me, I insist that wealth of the mind is the only true wealth.

We can find that some people are very rich, but their spiritual life is corrupt, only using money to meet their material needs. This kind of people can't realize the meaning of life. Although some people are poor in material, they have the noble spirit. It is often reported in the news that some old scavengers save money on their own, they even wear the same clothes for years but donate money to Project Hope schools. Can we say that they are not rich? They mirror the noble human qualities for us. The wealth of mind is more essentially valued than that of his money.

To conclude, it is not the money we earn but wealth of our mind that determines the meaning of our lives. This reminds us again of the value that wealth of the mind is the only true wealth. (198 words)

【解析】

本次六级题目讨论的是精神富有的重要性。第一段先描述背景，人们对于物质财富的热衷，并且点出中心，精神的富有更重要。第二段可以使用对比分析，分析有些人虽然物质富裕，但是并没有为我们的社会做出贡献、体会人生意义。而有些人却省吃俭用捐助给希望小学。之后得出结论，精神的富有比物质的富有更重要！结尾段也可使用递进逻辑进行总结，点明中心。
