A school did a survey about students' favorite Chinese traditional holidays among 100 students. According to the table chart, we can clearly see that 35 percent of the students prefer the Spring Festival, 20 percent like both the Mid-autumn Festival and the Lantern Festival, only 15 students love the Dragon Boat Festival, and the other pupils choose other festivals.

My favorite holiday is the Spring Festival. The reason why I like it is that our family could get together to have a lot of fun and we can do many meaningful things. I still remember when I was ten years old, I tried to learn how to make dumplings. To begin with, my mother taught me how to make a dumpling. And I made one successfully and quickly, but it was so ugly. And then she told me how to make it nicer. However, I failed and I wanted to give up, and I thought it was difficult for me to make dumplings. My mother encouraged me to have one more try. I did it again and finally succeed. What an exciting experience!
