第二节 书面表达（共 15 分）

One possible version:

Friday 6 November

I have been a senior high school student for about three months and there are a great many memorable things. Last week, when I played basketball, I fell and twisted my ankle accidentally. You can imagine how helpless I was because the next class was about to begin. Fortunately, a girl I didn't know before helped me to my classroom and she told me that she was in the next classroom. What was amazing is that both of us loved painting and we became good friends later. I truly feel that it was a wonderful thing that happened to me, because it tells me that there are always kind people around us, who always give others warmth. In addition, if something terrible happens to us, don't worry, because something good may follow it.
