第二节 书面表达 (满分 15 分)

One possible version:

People's opinions are varied on the job of cleaning. Some say it's poorly paid, with bad working conditions, while others think it is worthwhile to do it. As far as I am concerned, I prefer the latter opinion for the following three reasons.

First and foremost, the cleaners, undoubtedly, make great contributions to beautifying the environment and making the air clean. It is because of their efforts that we can have a wonderful living and working environment. Additionally, you don't have to be professional to do the cleaning, so that it provides more ordinary people with job opportunities. Thirdly, the cleaner is a manual job, which, to some extent, helps improve the workers' health.

In a nutshell, cleaning is a job worth doing.
