一、图画作文【英语一】

1、Directions :

Write an essay of 160-200 words based on the picture below. In your essay, you should describe the picture briefly,

- 2) interpret the meaning, and
- 3) give your comments.

Write your answer neatly on the ANSWER SHEET. (20 points)

范文：

The picture shows the positive effects of online education, which shortens the distance between people and information. As is shown, sitting in front of a computer, a boy can acquire knowledge through the Internet. It is the convenience and efficiency of online education that enables the boy segregated at home to get information and make progress, without worrying about the threat of epidemic. Dangerous as the virus is, it can not isolate people from knowledge and wisdom.

There used to be a common sense that physical distance barricades the dissemination of knowledge. However, the advancement of science and technology transforms our daily life, shortening the distance between human beings and knowledge. Clearly, new devices and inventions not only promote the economy and long-term progress but also stimulate the progress of education. When coronavirus broke out in 2020, it is online education that enables students ensures the normal teaching and learning process.

In short, thanks to the continuous development and innovation of high technology, we can enjoy a better life. But we must also be wary not to be enslaved by technology.

参考译文：

上图显示了在线教育的积极作用，它缩短了人与信息之间的距离。如图所示，一个男孩坐在电脑前，可以通过互联网学习知识。在线教育的便利性和高效性使这个隔离在家的男孩能够获得信息并取得进步，而不必担心流行病的威胁。尽管病毒危险，但它无法将人们与知识和智慧隔离开来。

过去常识认为，物理距离阻碍知识的传播。但是，科学技术的进步改变了我们的日常生活，缩短了人类与知识之间的距离。显然，新设备和发明不仅可以促进经济和长期发展，而且可以促进教育的发展。2020年冠状病毒爆发时，正是在线教育使学生能够确保正常的教学过程。

简而言之，得益于高科技的不断发展与创新，我们可以享有更好的生活。但是我们也必须警惕不要被技术奴役。

2、Directions :

Write an essay of 160-200 words based on the picture below. In your essay, you should

- 1) describe the picture briefly,
- 2) interpret the meaning, and
- 3) give your comments.

Write your answer neatly on the ANSWER SHEET. (20 points)

范文：

A lonely old lady is depicted in the picture reveals the negative impacts of empty nest problem. As is shown, the old woman staying in an empty room cannot enjoy the happiness of family life. "I am so lonely, because my children are too busy to take care of me," she consoles herself.

When China entered such a glowing period, people can enjoy better life, yet empty nest syndrome becomes a looming danger, which casts a shadow over a great number of people. The following reasons account for this problem. First and foremost, the birth rate in recent two decades, to some extent, is responsible for this problem. In addition, urbanization prompts young generation in great numbers to swamp into big cities, leaving their parents in hometowns. Finally, another family structure has been changing since 1980s, nuclear family is dominant in China.

In sum, when entering the stage of affluent social development, no country seems to be able to escape this problem. Exposed to this complicated problem, people has not found a feasible solution.

参考译文：

图片中描绘了一个孤独的老太太，揭示了空巢问题的负面影响。如图所示，住在空房间里的老妇无法享受家庭生活的幸福。“我很寂寞，因为我的孩子们忙于照顾我，”她安慰自己。

当中国进入这样一个光辉的时期时，人们可以享受更好的生活，而空巢综合症却成为迫在眉睫的危险，这给很多人蒙上了阴影。以下原因导致了此问题。首先，最近二十年来的出生率在某种程度上是造成这个问题的原因。此外，城市化促使大量年轻一代涌入大城市，将父母留在家乡。最后，自1980年代以来，另一种家庭结构发生了变化，核心家庭在中国占主导地位。

总而言之，当进入富裕的社会发展阶段时，似乎没有哪个国家能够逃脱这个问题。面对这个复杂的问题，人们尚未找到可行的解决方案。

3、Directions：

Write an essay of 160-200 words based on the picture below. In your essay, you should

describe the picture briefly,

2) interpret the meaning, and

3) give your comments.

Write your answer neatly on the ANSWER SHEET. (20 points)

范文：

The cartoonist depicts an ignorant butterfly which is lured by a booming flower in a cage. As is shown, the cage apparently is a beautiful but dangerous trap. Attracted by the fragrant flower, the butterfly can hardly resist the temptation. If it entered the cage, it would lose freedom and be imprisoned by its greedy and short-sighted nature.

In contemporary society, people are enjoying convenient life, and meanwhile they are exposed to more temptations which are designed to lure them to open their wallets or to enslave them. On one hand, the world is complicated, which is full of any possibility, uncertainty and even traps. On the other hand, in order to pursue short-term profits, some short-sighted people fail to control their greed, which leads them to be easy preys for malicious "hunters".

To summarize, when faced with temptation, we are supposed to keep clear and calm mind. As a saying goes, "One cannot make an ambition only if he or she possesses indifference to fame and fortune. One cannot achieve great accomplishment only he or she is poised in life.

参考译文：

漫画家描绘了一只无知的蝴蝶，它被笼子里盛开的花朵吸引。如图所示，笼子是一个美丽但危险的陷阱。蝴蝶被芬芳的花朵吸引，几乎无法抵挡诱惑。如果它进入笼子，它将失去自由，被其贪婪和短视的本性囚禁。

在当代社会中，人们享受着便利的生活，同时，他们也面临着更多的诱惑，这些诱惑旨在骗取他们的钱财或奴役他们。世界是复杂的，充满了任何可能性，不确定性甚至陷阱。另外，为了追求短期利益，一些近目光短浅的人无法控制自己的贪婪，这使他们容易成为“猎人”的猎物。

总而言之，当面对诱惑时，我们应该保持清醒和冷静的心态。我们应当谨记，“非宁静无以致远，非淡泊无以明志。”

4、Directions：

范文：

The picture presents a family's participation in waste sorting, which reveals the significance of environmental protection. It can be observed that there stand three trash bins, one for recyclable, one for nonrecyclable, another for other waste. A man who sees a dirty tissue is going to throw it into one of bins. Carrying garbage bags, both of his wife and daughter are ready to throw the sorted waste into the bins.

The cartoonist clearly intends to convey a fact that waste sorting is beneficial to the sustainable development of the society. Progressive policies have been implemented to shape the collective action, yet without the efforts of the public, desirable consequence could hardly be expected. With the overall development of the society, citizens with raised awareness lay more emphasis on environmental protection. "The flames rise high, when everyone adds fuel" is an ancient wisdom. When it comes to waste sorting, the contribution of each citizen is indispensable.

In sum, from my perspective, waste sorting is more like an opportunity to exercise more social responsibility of the public. And we have no reason to refuse to play our role.

参考译文：

图为一个家庭参与垃圾分类的过程，揭示了环境保护的意义。可以看到，图中有三个垃圾箱，一个盛放可回收垃圾，一个盛放不可回收垃圾，另一个盛放其它垃圾。一个男士看到地上的纸巾，并将把它扔进一个垃圾箱。他的妻子和女儿都提着垃圾袋，准备将分类的垃圾扔进垃圾箱。

漫画家显然打算传达一个事实，即废物分类有利于社会的可持续发展。政府已经采取了进步的政策来影响群体行为，但是，如果没有公众的努力，很难达到预期效果。随着社会的全面发展，不断提高意识的公民更加重视环境保护。“众人拾柴火焰高”是个古老的智慧。在废物分类方面，每个公民的贡献都必不可少。

总而言之，在我看来，垃圾分类更像是可以发挥公众的更多社会责任的一个机会。我们没有理由拒绝贡献自己的一份力量。

范文：

Depicted by the picture is a courageous doctor who protects the public from threat of a pandemic. Standing in front of the public, the brave and respectable doctor with protective suit stretches his arms. The men and women behind the angel in white stand with him without fear. The city that is shielded by the efforts of the citizens keeps safety and prosperity.

Chinese doctors were in the frontline of the battle against coronavirus pandemic. We recognize and honor the contribution of the doctors by their fraternity and dedicated service during the unprecedented times and all times. It is no exaggeration to say that doctors are like fortress that shields us from physical and mental suffering. Without their contribution and sacrifice, we could not have returned life to normal. Meanwhile, the collective contribution of the entire society is indispensable. Without the joint efforts of the whole society, the pandemic in our country cannot be controlled.

The picture reminds me of Hippocratic Oath, "As a member of the medical profession: I solemnly pledge to dedicate my life to the service of humanity," which, I deem, must drive doctors to serve their duty.

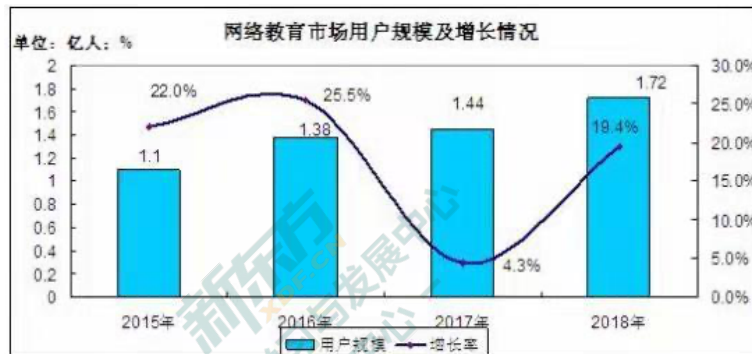

参考译文：

照片中描绘的是一位勇敢的医生，他在保护公众免受流行疾病的威胁。站在公众面前的这位身大夫，身穿防护服，勇敢地伸开了双臂。这位白衣天使背后的人们无畏地与他站在一起。图中的城市正是因为大家的保护，才能够保持其安全与繁荣。

中国医生处于抗击冠状病毒大流行的最前线。我们在空前的历史上和任何时候都以医生的亲切友善和奉献的服务来认可和尊重医生的贡献。毫不夸张地说，医生就像堡垒一样，可以保护我们免受身心伤害。没有他们的贡献和牺牲，我们不可能使生活恢复正常。同时，整个社会的集体贡献是必不可少的。没有全社会的共同努力，就无法控制我国的大流行。

这张图片让我想起希波克拉底誓言，“作为医学专业的成员：我郑重承诺为我的生命奉献生命，为人类服务”，我认为，这一定是大夫们恪尽职守的原因。

二、图表作文【英语二】

范文:

The chart shows the data about online education. As is shown, during the 3 years between 2015 and 2018, the number of e-learning users increased sharply from 110 million to 172 million, growing by 62 million. And we can observe that the growth rate changed dramatically and finally reached 19.4% in 2018.

In recent years, online education has been in the ascendant, making it more convenient for people to acquire knowledge. High-quality teaching resources once only benefited a few people because of physical distance, but now the Internet has brought these resources to a larger group. The physical distance that once hindered the spread of knowledge is no longer an obstacle. When coronavirus broke out in 2020, it is online education that enables students ensure the normal teaching and learning process

In short, online education has brought huge benefits, enabling us to obtain information more conveniently. However, it cannot replace traditional schooling education. The combination of online and offline education perhaps is the right direction.

参考译文:

该图显示了有关在线教育的数据。如图所示,在 2015 年至 2018 年的三年中,网络教育 用户数量从 1.1 亿急剧增加到 1.72 亿,增长了 6200 万。我们可以看到,增长率发生了巨大 变化,最终在 2018 年 达到 19.4%。

近年来,在线教育方兴未艾,使人们获取知识更加方便。高质量的教学资源曾经因为距 离遥远而使少 数人受益,但是现在网络已将这些资源带给了更大的群体。曾经阻碍知识传播的物理距离不再是障碍。 2020 年冠状病毒爆发时,正是在线教育使学生能够确保正常的教学过程。

简而言之,在线教育带来了巨大的收益,使我们能够更方便地获取信息。但是,它不能 替代传统的学 校教育。线上教育和线下教育的结合也许是正确的方向。

范文：

According to a survey on reading habits, the reading ratio of men and women rose from 1:4 in 2015 to 1:4.2 in 2016. It is clear that the advantages of women are further expanding. In addition, the pie chart shows that only 1.7% of people claim they read a lot, while 45.2% acknowledge they read little.

“Reading makes one's mind bright and clear”, says Voltaire. It means that books nurture readers' mind and nourish their intelligence. Readers who are thirsty for knowledge treat books as the origin of wisdom and reading as the process of getting treasure of good books, consequently being transformed into erudite ones. Unfortunately, many people have not developed the habit of reading, attributing it to the fast pace of life or excessive stress.

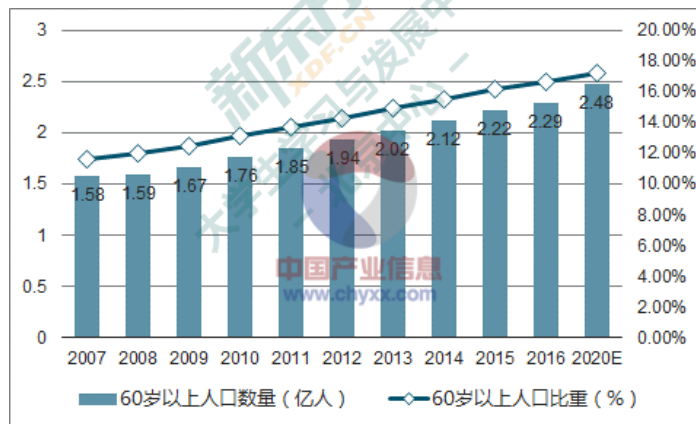

As college students, when facing the fast-paced society, we need the nutrients from books to build our mind and to broaden our horizon. The best and shortest way of getting knowledge is drawing nutrients from books.

参考译文：

根据一项关于阅读习惯的调查，男女的阅读比例从 2015 年的 1:4 上升到 2016 年的 1:4.2。显然，女性的优势正在进一步扩大。此外，饼图显示只有 1.7% 的人声称自己会阅读很多，而 45.2% 的人承认自己很少阅读。

伏尔泰说：“读书使人心明眼亮”。这意味着书籍可以培养读者的思想并滋养他们的心灵。对知识渴求的读者将书视为智慧的源泉，并将阅读视为获取只是财富的过程，因此成为博学之士。不幸的是，许多人没有养成读书的习惯，却归因于生活的快节奏或过度的压力。

作为大学生，面对快节奏的社会时，我们需要书本中的养分来帮助我们拓宽视野。获取知识的最好的方式是从书本中汲取营养。

2007-2020 年中国 60 岁以上人口数量及比重

范文：

The statistics about the number and percentage of the seniors are precisely illustrated by the chart. During the 13 years from 2007 to 2020, the number of the seniors is on a rise, increasing from 0.158 billion to 0.258 billion. Besides, the proportion of the elderly, as is shown, ascended gradually from 12% to 17%, growing by 5%.

The fact shown by the chart, in my mind, results from the following reasons. To begin with, the most essential reason is the increasingly booming economy, which enables the seniors to enjoy longer life expectancy of the seniors. Secondly, the next significant factor is the improvement of people's living standard. The elders, out of their raised awareness, are one of the groups giving weight to health and longevity. Therefore, it is inevitable that the percentage of the seniors increases steadily.

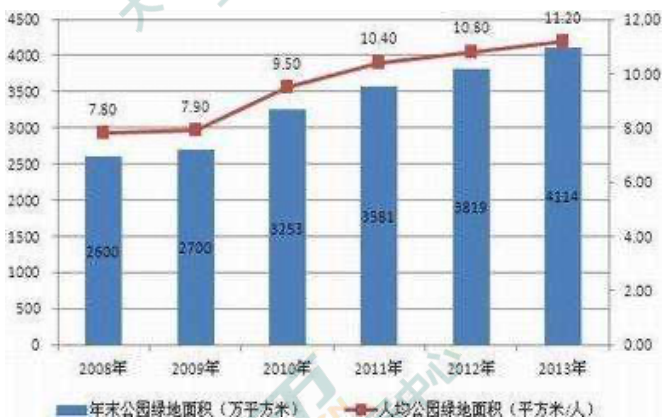

In short, the advent of aging will bring about a series of problems, such as labor shortage and excessive financial burden. Many demographers claim that the increase of fertility rate probably is the best way to solve this problem.

参考译文:

以上图表准确呈现了老年人的数量和比例的相关数据。从 2007 年到 2020 年的 13 年间, 老年人的数量不断增加, 从 1.58 亿增加到 2.58 亿。此外, 如图所示, 老年人的比例从 12% 逐渐上升到 17%, 增长了 5%。

我认为, 图表所示的事实是由于以下原因造成的。首先, 最根本的原因是经济的蓬勃发展, 这使老年人可以享有更长的老年人预期寿命。其次, 另一个重要因素是人民生活水平的提高。老年人提高了认识, 是重视健康和长寿的群体之一。因此, 老年人的比例稳定增长。

简而言之, 老龄化的到来将带来一系列问题, 例如劳动力短缺和过度的财政负担。许多人口统计学家声称, 提高生育率可能是解决此问题的最佳方法。

范文:

The chart above shows the increasing green area of park, which, predictably, has positive influence on our life. During 2 years from 2008 to 2010, the green area of the park grew gradually to 32,530,000 m², yet the number ascended dramatically from 2010 and reached the peak, 41,140,000 m², in 2013. In addition, the per capita green area also experienced a gradual increase, rose from 7.8 m² in 2008 to 11.2 m² in 2013.

China, as the second largest economy of the world, has been keeping rapid economic development, which is beneficial to the increase of green area. The next significant factor is the influence of some policies. in the process of urbanization, the government has given more weight to the expansion of public green space, and a growing number of Chinese, out of their raised awareness, are willing to contribute to environmental protection.

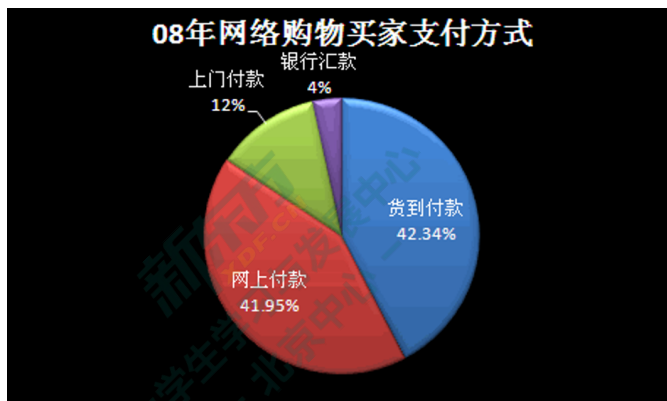

In short, the increase in green area is not only beneficial to the environment but also to people's lives. Predictably, this trend will continue in the upcoming decades.

参考译文:

上图显示了公园不断增加的绿地面积, 可以预见的是, 这对我们的生活产生了积极的影响。从 2008 年到 2010 年的 2 年间, 公园的绿地面积逐渐增加到 3253 万平方米, 但从 2010 年起急剧增加, 并在 2013 年达到 41140,000 平方米。此外, 人均绿地面积也逐渐增加, 从 2008 年的 7.8 平方米增加到 2013 年的 11.2 平方米。

中国作为世界第二大经济体, 经济一直保持较快发展, 这无疑有利于绿化面积的增加。下一个重要因素是某些政策的影响。在城市化进程中, 政府更加重视公共绿色空间的扩展, 越来越多的人提高了自身意识, 也愿意为环境保护做出自己的贡献。

简而言之, 绿化面积的增加不仅有益于环境, 而且有益于人们的生活。可以预见的是, 这种趋势将在未来几十年内继续。

范文：

Online shopping is something we take for granted. According to a survey on online shopping payment, 42.3% of customers are in preference for cash on delivery. The proportion of online payment accounts for 41.95%. In addition, 12% of people are used to paying at home. Finally, only 4% of people keep bank transfers.

During the recent decade, consumers have been accustomed to online shopping, which not only brings convenience to people, but also saves people's time and energy. At the same time, the ways of payment have also changed accordingly. Online payment and cash on delivery are getting people's favor. It is a proof that the Internet is subtly changing every aspect of people's lives. In contrast, the traditional way of payment is becoming marginalized and gradually becoming a niche method. Of course, online payment also has shortcomings. For example, the leakage of personal privacy has gradually become a problem for consumers.

In sum, the popularity of new payment methods is a product of the digital age, and every consumer will actively or passively adapt to it.

参考译文：

在线购物是我们习以为常之事。根据一项有关在线购物付款的调查，有 42.3% 的客户更喜欢货到付款。在线支付所占比例为 41.95%。此外，有 12% 的人习惯于在家里付款。最后，只有 4% 的人坚持使用银行转账的方式。

近十年，消费者已经习惯了在线购物，这不仅给人们带来了便利，而且节省了人们的时间和精力。同时，付款方式也发生了相应变化。在线支付和货到付款正在获得人们的青睐。这证明互联网正在微妙地改变人们生活的方方面面。相反，传统的支付方式正被边缘化，并逐渐成为一种小众方式。当然，在线支付也有缺点。例如，个人隐私的泄露已逐渐成为消费者的问题。

总而言之，新支付方式的普及是数字时代的产物，每个消费者都将主动或被动地适应它

三、小作文

一 建议信

Directions:

Write a letter to the editor(s) of your local newspaper to give your opinions briefly and make two or three suggestions for garbage classification.

You should write about 100 words. Do not sign your own name at the end of the letter. Use "Li Ming" instead. You do not need to write the address.

范文：

Dear Sir or Madam,

As an undergraduate student majoring in environmental engineering, I am concerned with the garbage disposal. And I am writing to make suggestions for garbage classification.

The process of industrialization and urbanization witnessed the deterioration of environmental problems. Some people have not developed environmental awareness. Although we have progressive policies that shape collective action, the engagement of citizens is indispensable. Therefore, it is of importance to promote environmental protection education by leveraging social media, such as microblog, posts, leaflet, and other means.

I wish you would take my suggestions into consideration. And I wish my opinions are of help to you.

Yours sincerely,

Li Ming

范文:

To Whom It May Concern,

I am writing this letter for the purpose of complaining my bad experience in your hotel.

To begin with, the first reason that resulted in my dissatisfaction is the attitude of the staff. As a customer, I was frustrated by their lack of sense of responsibility and their poor communication ability. In the second place, as a regular customer, I did not enjoy any treatment that I deserve, which was disappointing. Finally, the air conditioner of my room did work well, and the drain was clogged. When I called the service center, I did not receive any positive response.

I am looking forward to your solution. If I do not receive any satisfying response, I will further complain to the Consumer Protection Association.

Regards,

Li Ming
